

Bedford Community Boat

Support our Boat!

Make a gift or a loan
so we can put the boat on the water

There are four levels of gift or loan you can make – and we'll say thank you with a mix of publicity and free trips.

If you can gift aid your donation, it will make it even more valuable.

Loans will be paid back over years 4-10 of the project by the new trading company set up to run the boat.

Suggest contacts

You may know other people, community groups, schools & colleges, or businesses who'd like to support the Bedford Community Boat. Please tell them about it – or tell us who to contact.

Volunteer

We need more volunteers to help get the boat off the ground, and then to crew it. Let us know if you'd like to come on board. There's something for everyone – learn to skipper or join the talks team aboard, make the tea or fix the rotas ... Let us know what floats *your* boat!

Tell us how you can help!

We need your promise of support to show to grant-giving organisations. Please email Don Allison now to say how you can help!
